# Narayana Sharma Story to AIR 33, TN topper

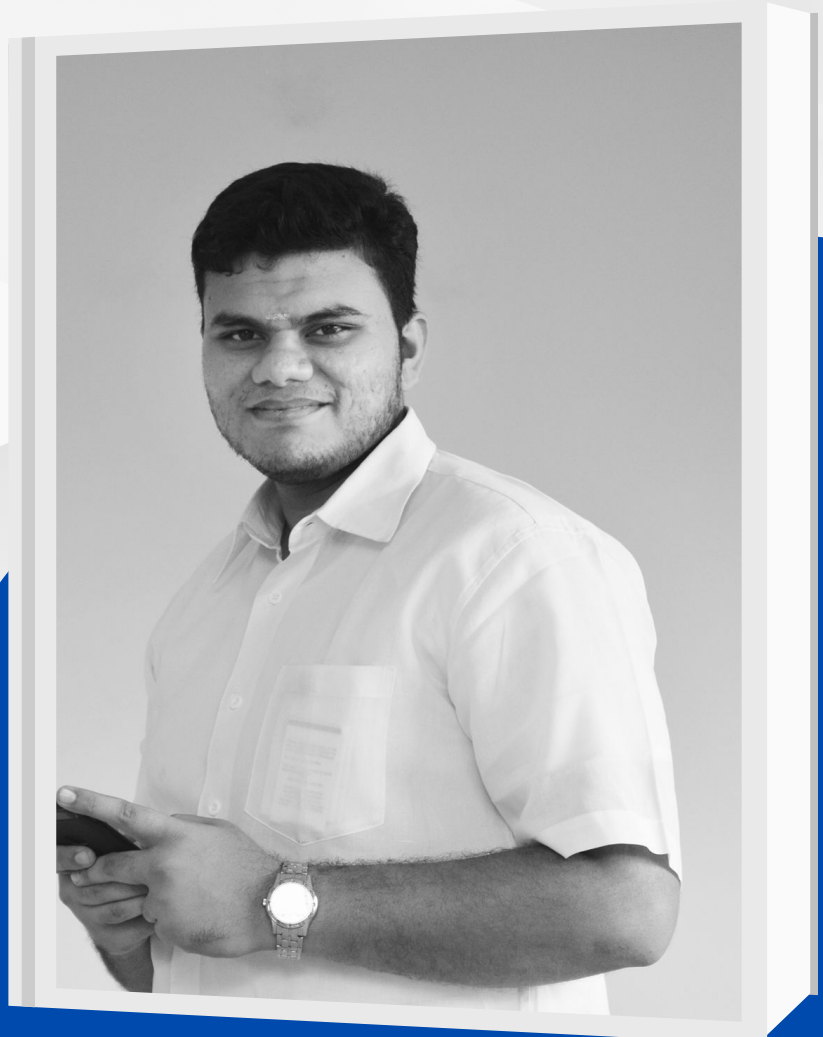

Inspired to become RBI Governor, I started my journey to prepare for Civil Services preparation.

I had tried 3 times, but couldn't get through, but with my smart work i achieved it in my 4th attempt.

After Joining the academy, I saw that it had a positive impact on my preparation. The mentors helped me clear doubts and even revise every concept. For all my fellow aspirants, my advice would be to keep working towards your dreams
