

TNPSC MAP-BASED TEST SERIES

MASTER MAPS. MASTER GEOGRAPHY.

90 Tests | 2,250 Questions | Location-Based Learning

TN Geo (20) • Indian Geo (25) • World Geo (15) • Rivers/Dams (10) • National Parks (10) • Places in News (10)

Tamil Nadu Geography (20 Tests)

Test No.	Syllabus / Mapping Topic	Focusing Areas (Map Locations)
Test 1	TN Political Boundaries & Districts	Mapping the 38 districts, newly formed districts, and bordering states/water bodies.
Test 2	Western Ghats in TN	Major peaks (Doddabetta, Mukurthi), passes (Palghat, Shencottah), and hill stations.
Test 3	Eastern Ghats in TN	Javadi, Shevaroy, Kalrayan, Pachaimalai hills and their geographical spread.
Test 4	TN Coastal Plains & Beaches	Coromandel coast, Gulf of Mannar, Palk Strait, and major beaches (Marina, Dhanushkodi).
Test 5	Climate & Rainfall Regions in TN	Northeast vs Southwest monsoon impact zones, rain shadow regions, and cyclone-prone areas.
Test 6	Soil Distribution in TN	Red soil, Black soil (Regur), Alluvial, and Laterite soil mapping across districts.
Test 7	Natural Vegetation & Forest Types	Tropical evergreen (Western Ghats), deciduous, and mangrove (Pichavaram) distributions.
Test 8	Agricultural Belts: Food Crops	Major rice bowls (Cauvery delta), millets, and pulses growing regions in TN.
Test 9	Agricultural Belts: Cash & Plantation	Sugarcane, cotton, tea (Nilgiris), coffee, and rubber plantations.

Test No.	Syllabus / Mapping Topic	Focusing Areas (Map Locations)
Test 10	Livestock & Fishery Zones	Major poultry hubs (Namakkal), dairy farming regions, and coastal fishery belts.
Test 11	Metallic Mineral Resources	Iron ore (Salem), Bauxite (Yercaud), and other minor metallic mineral distributions.
Test 12	Non-Metallic Minerals & Fossil Fuels	Lignite (Neyveli), Limestone (Ariyalur), Magnesite, and petroleum basins (Cauvery).
Test 13	Major Industrial Clusters	Textile valleys (Tiruppur, Coimbatore), firecracker hubs (Sivakasi), and leather (Vellore).
Test 14	IT, Automobile & SEZs	Detroit of Asia (Chennai auto clusters), Tidel parks, and Special Economic Zones mapping.
Test 15	Roadways & Transport Corridors	Major National Highways crossing TN (NH 44), state highways, and golden quadrilateral links.
Test 16	Sea Ports & Airports	Major ports (Chennai, Ennore, Tuticorin), minor ports, and international airports.
Test 17	Population & Demographics	Density maps, highest/lowest literacy districts, and sex ratio distributions.
Test 18	Tribal Settlements in TN	Mapping Irulas, Todas, Kotas, Kurumbas, and Paniyas in their respective hill regions.
Test 19	Tourism & Heritage Mapping	UNESCO World Heritage sites (Mahabalipuram, Great Living Chola Temples), and hill stations.
Test 20	Disaster Prone Zones in TN	Tsunami vulnerability lines, drought-prone districts, and landslide hotspots (Nilgiris).

Indian Geography (25 Tests)

Test No.	Syllabus / Mapping Topic	Focusing Areas (Map Locations)
Test 21	India: Political Boundaries & Neighbors	States, UTs, capitals, latitudinal/longitudinal extent, LOC, LAC, and international borders.
Test 22	The Northern Mountains	Trans-Himalayas, Greater/Lesser/Shiwalik ranges, and major Himalayan passes.
Test 23	The Purvanchal Hills	Patkai Bum, Naga, Mizo, Garo, Khasi, and Jaintia hills mapping.
Test 24	The Great Northern Plains	Bhabar, Terai, Bhangar, Khadar zones, and Punjab/Ganga/Brahmaputra plains.

Test No.	Syllabus / Mapping Topic	Focusing Areas (Map Locations)
Test 25	The Peninsular Plateau I	Central Highlands, Malwa, Bundelkhand, Chotanagpur, and Vindhyan ranges.
Test 26	The Peninsular Plateau II	Deccan plateau, Satpura, Mahadeo, Maikal hills, and the Meghalaya plateau.
Test 27	The Western & Eastern Ghats	Sahyadris, Nilgiris, Anaimalai, Nallamala, and meeting points of the ghats.
Test 28	Coastal Plains & Islands	Kathiawar, Konkan, Malabar, Coromandel coasts, A&N, and Lakshadweep islands.
Test 29	Climate & Monsoon Mechanisms	Summer/Winter monsoons, ITCZ movement, Western disturbances, and Koeppen's zones.
Test 30	Soils of India	Alluvial, Black, Red, Laterite, Arid, and Forest soils distribution.
Test 31	Natural Vegetation & Forests	Tropical Evergreen, Deciduous, Thorn, Montane, and Mangrove forest mapping.
Test 32	Agriculture: Food Crops	Wheat, rice, and millet belts, and major producing states.
Test 33	Agriculture: Cash Crops	Cotton, sugarcane, jute, tea, and coffee distribution.
Test 34	Metallic Minerals (Ferrous & Non-Ferrous)	Iron ore, manganese, bauxite, copper, and gold mines across India.
Test 35	Energy Resources I: Fossil Fuels	Coal fields (Gondwana vs Tertiary), petroleum reserves (Mumbai High, Digboi).
Test 36	Energy Resources II: Renewables & Nuclear	Major solar parks, wind energy clusters, and nuclear power plant locations.
Test 37	Major Industrial Regions	Hooghly, Mumbai-Pune, Ahmedabad-Vadodara, and Chotanagpur industrial belts.
Test 38	Transport: National Highways	Golden Quadrilateral, North-South/East-West corridors, and major NH routes.
Test 39	Transport: Railways & Waterways	Railway zones/headquarters, National Waterways (NW1 to NW6), and major ports.
Test 40	Demographics & Population Density	Census 2011 mapping: high/low density states, sex ratio, and literacy rates.
Test 41	Major Tribes of India	Santhals, Bhils, Gonds, Nagas, and vulnerable tribal group distributions.
Test 42	Strategic Infrastructure	Border roads, strategic tunnels (Atal, Zojila), and trans-shipment hubs.

Test No.	Syllabus / Mapping Topic	Focusing Areas (Map Locations)
Test 43	Disaster Vulnerability Mapping	Earthquake zones (Seismic II-V), flood-prone river basins, and cyclone coasts.
Test 44	Mega Map Practice: India Physical	Comprehensive test strictly on Indian physical features without political borders.
Test 45	Mega Map Practice: India Economic	Comprehensive test strictly on Indian minerals, agriculture, and industries.

World Geography (15 Tests)

Test No.	Syllabus / Mapping Topic	Focusing Areas (Map Locations)
Test 46	Continents & Oceans Overview	Equator, Tropics, Prime Meridian, and major continental landmasses/oceans.
Test 47	North America: Physical & Economic	Rockies, Great Lakes, Prairies, major rivers, and industrial belts.
Test 48	South America: Physical & Economic	Andes, Amazon basin, Pampas, Atacama desert, and mineral zones.
Test 49	Europe: Physical & Economic	Alps, Ural mountains, major rivers (Rhine, Danube), and the EU economic zones.
Test 50	Africa: Physical & Economic	Atlas mountains, Sahara, Great Rift Valley, Nile, and mineral wealth areas.
Test 51	Asia: Physical & Economic	Himalayas, Tibetan plateau, Gobi desert, major rivers, and ASEAN regions.
Test 52	Oceania & Antarctica	Great Dividing Range, Australian deserts, New Zealand islands, and research stations.
Test 53	Major World Mountain Ranges	Fold, block, and volcanic mountains mapped globally.
Test 54	Global Deserts & Grasslands	Hot/cold deserts, Steppes, Savannas, Veldts, and Downs.
Test 55	Ocean Currents & Topography	Warm/cold currents (Gulf Stream, Kuroshio), trenches, and mid-oceanic ridges.
Test 56	Strategic Straits, Canals & Choke Points	Malacca, Hormuz, Suez, Panama, Bab-el-Mandeb, and Gibraltar.
Test 57	Global Climatic Regions	Equatorial, Mediterranean, Tundra, and Taiga climate distributions.

Test No.	Syllabus / Mapping Topic	Focusing Areas (Map Locations)
Test 58	World Agriculture & Resource Belts	Global wheat belts, major oil-producing zones, and lithium triangles.
Test 59	Human Geography: World Population	Dense vs sparse population regions, migration corridors, and major global cities.
Test 60	Mega Map Practice: World Physical	Comprehensive test covering all global physical features and water bodies.

Rivers, Lakes & Dams (10 Tests)

Test No.	Syllabus / Mapping Topic	Focusing Areas (Map Locations)
Test 61	The Himalayan River Systems	Indus, Ganga, Brahmaputra basins, origins, and major right/left bank tributaries.
Test 62	East Flowing Peninsular Rivers	Mahanadi, Godavari, Krishna, Cauvery networks and deltas.
Test 63	West Flowing Peninsular Rivers	Narmada, Tapi, Mahi, Sabarmati, and Periyar river networks.
Test 64	Major Dams & Projects in North India	Bhakra Nangal, Tehri, Hirakud, and DVC projects.
Test 65	Major Dams & Projects in South India	Nagarjuna Sagar, Tungabhadra, Almatti, and Idukki dams.
Test 66	Rivers & Drainage of TN (Unit 9)	Detailed mapping of Palar, Pennaiyar, Cauvery, Vaigai, and Thamirabarani tributaries.
Test 67	Dams, Reservoirs & Canals in TN (Unit 9)	Mettur, Bhavanisagar, Mullaperiyar, Vaigai dam, and Grand Anicut (Kallanai).
Test 68	Major Lakes of India	Freshwater (Wular, Loktak) and Brackish (Chilika, Pulicat, Vembanad) lakes.
Test 69	Major Waterfalls of India	Jog, Dudhsagar, Shivanasamudra, Courtallam, and Hogenakkal falls.
Test 70	Important Rivers of the World	Amazon, Nile, Mississippi, Yangtze, Volga, and Congo rivers.

National Parks & Biosphere Reserves (10 Tests)

Test No.	Syllabus / Mapping Topic	Focusing Areas (Map Locations)
Test 71	UNESCO Biosphere Reserves (India)	Mapping the 18 biosphere reserves, focusing on the MAB network sites.

Test No.	Syllabus / Mapping Topic	Focusing Areas (Map Locations)
Test 72	Biosphere Reserves in TN (Unit 9)	Gulf of Mannar, Nilgiris, and Agasthyamalai detailed mapping and flora/fauna.
Test 73	Tiger Reserves of India	Major reserves under NTCA (Corbett, Kanha, Bandhavgarh, Sundarbans).
Test 74	Tiger & Elephant Reserves in TN	Mudumalai, Anamalai, Sathyamangalam, Kalakkad Mundanthurai, and Srivilliputhur Megamalai.
Test 75	National Parks: North & East India	Kaziranga, Manas, Keibul Lamjao, Namdapha, Hemis, and Dudhwa.
Test 76	National Parks: Central, West & South India	Gir, Ranthambore, Bandipur, Silent Valley, and Marine national parks.
Test 77	Ramsar Wetland Sites in India	Major wetlands, recent additions, and Montreux Record sites (Keoladeo, Loktak).
Test 78	Ramsar Sites & Bird Sanctuaries in TN	Point Calimere, Pallikaranai, Vedanthangal, and Koonthankulam.
Test 79	Marine & Coastal Protected Areas	Gahirmatha, Gulf of Kutch, and Mahatma Gandhi Marine NP.
Test 80	Global Biodiversity Hotspots	Western Ghats, Eastern Himalayas, Indo-Burma region, and Sundaland.

Places in News & Current Geopolitics (10 Tests)

Test No.	Syllabus / Mapping Topic	Focusing Areas (Map Locations)
Test 81	TN Places in News (Unit 9)	New archaeological sites (Keeladi, Porunai), new infrastructure, and GI tags.
Test 82	India: Geopolitical & Border Disputes	LOC, LAC, Doklam, Galwan, Sir Creek, and Kalapani mapping.
Test 83	World: Geopolitical Conflict Zones	Gaza, West Bank, Ukraine (Crimea/Donbas), Taiwan Strait, and South China Sea.
Test 84	Global Environmental Disasters	Recent earthquake epicenters, volcanic eruptions, tsunamis, and wildfires.
Test 85	Major Infrastructure Projects (India)	New expressways, Chenab bridge, trans-shipment ports, and dedicated freight corridors.
Test 86	International Economic Corridors	IMEC (India-Middle East-Europe), INSTC, and China's BRI routes.

Test No.	Syllabus / Mapping Topic	Focusing Areas (Map Locations)
Test 87	Summits & Conferences	Locations of recent G20, BRICS, SCO, ASEAN, and UNFCCC COP summits.
Test 88	Space, Defense & Observatories	Global/Indian launch sites, LIGO facilities, and nuclear testing sites.
Test 89	Health, Epidemics & Science Hotspots	Origins of recent outbreaks, major WHO centers, and scientific research hubs.
Test 90	Mega Map Revision & Prelims Simulator	Comprehensive mapping integration of static geography and current affairs from the past year.

"Every Map You Master Brings You Closer to Success."
